TESTIMONIALS

EUGENE + PRIYANKA'S EXPERIENCE

"Tyler did an excellent job helping us buy our first home. We explained to him what we were looking for and he quickly scheduled viewings of the properties that matched our search. He knows the KW-Cambridge-Guelph area very well and he is also well aware of local market trends and trajectories. I would highly recommend working with Tyler to anyone looking for top-notch real estate related help."

PETER & ANTONIA'S EXPERIENCE

"My wife and I sold our home recently and Tyler made it easy going through the process. He answers all questions, texts emails and calls very quickly and professionally. We listed with the right realtor and Tyler also helped with the purchase of our new home which was also a breeze with Tyler doing all that was needed. We highly recommend Shawn realty and a special thanks to Tyler and the the rest of the team for all he done for us. Thank you"
